Proceeds from this year's Crusade will be applied to the church's part in the Loyalty Program of Chapman College.

The Fellowship Forum club will hold its first meeting of the fall Sunday evening at the Brick Patio at 2217 West 174th street, according to Joe Lukes, president of the club. A business meeting to plan the club's program for the year is scheduled for that night. Recreation and refreshments will follow the meeting.

Monday evening, the official Church Board and their families will entertain the staff of the State offices at a pot-luck dinner beginning at 6. Dr. C. A. Cole, executive secretary of Los Angeles, and his staff will be present to outline the work program of the Southern California Churches for the coming year.

The Rev. Mr. England has announced that he will preach on the topic, "Let's Learn All the R's" Sunday in keeping with the community interest and concern in the opening of a new school year.

Under the leadership of Ralph Prime, the High School and College Youth group will meet in the church at 6 p.m. Sunday. An special invitation to all high school and college students in the area was sent out this week by Prime. He said all are welcome to attend and enjoy the study, worship, and fellowship of the group.

## Principal Says Double Sessions Over at Halldale

Double sessions are a thing of the past at the Halldale Avenue School, according to Amanda Bonwell, principal. There will be only minimum sessions there when school opens Monday, she said, although more than 650 students are expected.

Registration for kindergarten has been going on all week, she said, and will continue today and tomorrow.

Children who will be 5 years old before March 1, 1951, can be entered in kindergarten now, according to the principal. Registration can be accomplished at the school today and tomorrow, or from 9 to 11:20 a.m. Monday.

Registration for first, second, and third grade pupils will be from 8:30 a.m. until 12:10 p.m. at the school, she said. Registration of fourth, fifth, and sixth grade pupils will be between 8 a.m. and 12:20.

Only those students who have not previously attended the Halldale school need to register, Miss Bonwell said.

Two new rooms have been erected on the site during the summer. The new rooms, constructed according to specifications which make them "movable," will serve as an auditorium and a music room, the principal said.

Miss Bonwell has just returned from a summer spent in Mexico City, Taxco, and Oaxaco, Mexico, she said. She reports spending an enjoyable summer "south of the border."

## Rev. Schauer to Conclude Summer Series of Sermons

"Do you have what it takes?" will be the question posed in the sermon concluding the summer series in which Rev. U. S. Schauer of the Central church has been discussing the Beatitudes.

The sermon posing the question will be given at the morning services which begin at 11 at the Central Evangelical United Brethren church.

Next Wednesday evening, Sept. 13, members and friends of the church will have the opportunity to hear Rev. Jacob Sturzenacker of Mulheim, Ger-

many, who is in this country to attend a general conference of his denomination this autumn.

Central Church is very interested in the Rev. Sturzenacker, according to Rev. Schauer, because he was a classmate of Rev. E. L. Weatherwax, a member of the church, when he took his theological training in this country.

At the close of World War II, the local Women's Society of World Service dispatched relief packages to Rev. Sturzenacker for distribution in Germany.

## SUBSTANCE SCIENCE LESSON

"Substance" will be the Sunday Bible lesson subject in all branches of the Mother Church, the First Church of Christ, Scientist, in Boston. The golden text from Malachi reads, "Bring ye all the tithes into the storehouse, that there may be meat in mine house, and prove me now herewith, saith the Lord of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it."

According to a Bible story from The Acts, "Here sat in a window a certain young man named Eutychus, being fallen into a deep sleep; and as Paul was long preaching, he sunk down with sleep, and fell down from the third loft, and was taken up dead. And Paul went down, and fell on him, and embracing him said, Trouble not yourselves; for his life is in him. . . . And they brought the young man alive, and were not a little comforted."

Mary Baker Eddy asks in "Science and Health with Key to the Scriptures: "Are material means the only refuge from fatal chance? Is there no divine permission to conquer discord of every kind with harmony, with Truth and Love?" Again she states, "Under divine Providence there can be no accidents, since there is no room for imperfection in perfection."
